ICAI wins campus quiz

It was a spirited battle of the brains. The regional round of Tata Crucible Campus Quiz 2010 was held at St John's auditorium on Sunday, in which The Institute of Chartered Accountants of India (ICAI) emerged as winners, after a gruelling regional final. Christ University was the runners-up. The quiz, held in 20 cities across the country, was conducted by quizmaster Aditya Subramanian. The winning team will now compete with regional winners at the national finals, scheduled in Mumbai in April.
