BANGALORE: The Tata Crucible Campus Quiz 2010 will be held here on Sunday.

The sixth edition of the quiz will be held across 20 cities this year.

Last year, it was held in 16 cities across the country.

According to a press release, the campus quiz will move on to Ranchi (March 23), Guwahati (March 25), Mumbai (March 27), Pune (March 28) and Manipal (March 31).

Atul Agarwal, vice-president (Corporate Affairs), Tata Services, said that "The Tata Crucible Campus Quiz provides an exciting platform to today's youth to hone their thinking skills as they prepare to be the leaders and torchbearers of tomorrow. We are delighted with the enthusiastic response received by this quiz over the years. The quiz has set a unique benchmark in both the Indian and international quizzing circuits. We are taking the quiz to four new cities — Nagpur, Ranchi, Manipal and Guwahati — this year with an aim to reach out to more young people every year."

To add to the excitement and scale of the event, there will be a mega international final in Mumbai wherein the winners and runners-up from the just-concluded Indian edition as well as those from the Singapore and U.K. editions will compete with each other for the title of International Champion.

This year, additional prizes will be given away, courtesy Tata Motors, Tata Indicom, Tata Tea, Giner, Croma, and others.
